Dear Zoran Boskovic:

Re: Notice of Termination of Employment

Further to my letter to you on June 20, 2022, it has come to my attention that this letter referenced the wrong job title. The letter should have referenced your role as the Senior Manager, Mountain Resorts Branch, Tourism Sector Strategy Division.

This does not impact the termination of your employment, which was processed effective June 20, 2022.

Sincerely,

A handwritten signature in blue ink, appearing to read "Neilane Mayhew".
