

COVID-19 vaccines and Aviation Medical Certificate holders

From: Transport Canada

COVID-19 vaccines that have been approved by Health Canada (Moderna Spikevax*, Pfizer-BioNTech Comirnaty*, AstraZeneca Vaxzevria*, and Janssen (Johnson & Johnson)), are considered compatible with Transport Canada aviation Medical Certification.

Transport Canada (TC) Civil Aviation Medicine (CAM), **does not impose grounding periods** for aviators who wish to take vaccines approved by Health Canada.

Aviators should review the Aeronautical Information Manual for more information on vaccinations.

Aviators should check this page for updates.

*On September 16, 2021, Health Canada authorized brand name changes for the Pfizer-BioNTech, Moderna, and AstraZeneca COVID-19 vaccines. There are no changes to the vaccines themselves.
