

**October 23, 2017, by way of the Facebook post, which reads in full:**

Okay, so I can no longer sit on my hands. I have to stand up and be counted. A few years ago, the Liberal minister of education instigated a new curriculum supposedly to combat bullying. But it quickly morphed into a weapon of propaganda to infuse every subject matter from K-12 with the latest fad: Gender theory. [The] Sexual Orientation and Gender Identity (SOGI) program instructs children that gender is not biologically determined, but is a social construct. At the risk of being labeled a bigoted homophobe, I have to say that I support traditional family values and I agree with the College of paediatricians that allowing little children [to] choose to change gender is nothing short of child abuse. But now the BC Ministry of Education has embraced the LGBTQ lobby and is forcing this biologically absurd theory on children in our schools. Children are being taught that heterosexual marriage is no longer the norm. Teachers must not refer to “boys and girls” they are merely students. They cannot refer to mothers and fathers either. (Increasing numbers of children are growing up in homes with same sex parents) If this represents the values of Canadian society, count me out! I belong in a country like Russia, or Paraguay, which recently had the guts to stand up to these radical cultural nihilists.
