Dear Ms. Russ-Woodland,

This email acknowledges receipt of your email of June 18<sup>th</sup> to all trustees and various members of my administrative team.

At this time , I will not be arranging a meeting with you (as you have already spoken with my Deputy, David Nelson), and will not be forwarding the letter you request to all parents and guardians. The position you are espousing with respect to informed consent is legally incorrect.

You were provided an opportunity to make presentations at the special meeting held on June 14<sup>th</sup>, and took advantage of that opportunity. While you are of course entitled to your perspective, the VSB follows and will continue to follow the advice of the BC Centre for Disease Control and the Provincial Health Officer.

Thank you for your understanding.

Yours truly,

Suzanne.
