A National Citizens Inquiry Special Hearing

Are Farmers Safe in Canada?

Consequences for Farmers and All Canadians

A black and white photograph of a family of four standing in a field, looking towards a barn and a sunset. The family consists of a man, a woman, and two children. The man is on the right, wearing a cap and a jacket. The woman is in the center, holding a baby. A young child is in the foreground, and another child is partially visible behind the woman. The background shows a large barn and a sunset over a field.

**KELOWNA, BRITISH COLUMBIA:
MARCH 9-11, 2026**

Join us in Kelowna, British Columbia for a special hearing on the crisis facing farmers, our livestock, our land, and our food, March 9-11, 2026.

Attend in person to observe a public inquiry examining the challenges facing agriculture and Canada's food systems.

Hear directly from individuals sharing their experiences, and from experts presenting testimony on the effects of regulations, corporate structures, and financial pressures on farmers, ranchers, and consumers.

If you are unable to attend in person, livestream the hearing at:

www.nationalcitizensinquiry.ca/live/

If you have relevant experience or insight to contribute, apply to become a witness at:

www.nationalcitizensinquiry.ca/testify/

The National Citizens Inquiry (NCI) is Canada's own Citizen Led, Citizen Funded, Independent, Ongoing Inquiry into the Government's handling of various issues since 2023.

Both Expert and Lay Witnesses testify under oath before Commissioners to the facts that they know and the experiences they have had.
